

Granite State Ambassadors and NH Made Celebrate 10 Years

In coordination with Canterbury Shaker Village, Granite State Ambassadors and New Hampshire Made will celebrate the 10th Anniversaries of both organizations on October 19th. Anyone who is affiliated with any of the 3 organizations (as members, friends, supporters, etc.) are invited to join the celebration free of charge.

Purpose of Event

To celebrate the 10-year growth and success of NH Made and Granite State Ambassadors by doing what we do best -- create partnerships, build bridges, trade services, and think outside-the-box -- all with little or no money!

Schedule of Events

Our intention is to develop a three prong approach to our celebration schedule. Below outlines some of the highlights for each prong. The intention is to take full advantage of the Village (open until 4pm), our party goesers (both early & late arrivals, as well as those who want to come early and stay late!), and the daylight hours (giving the widest, off hours, access from 4-6 and in the "after dark" hours limiting assess to a central location in the Village (i.e. the North Barn & Tent areas).

Noon - 4pm	Guided Tours, Visitor Center Exhibit, Shaker Table Lunch
4pm - 6pm	Demos, pot luck snacks, hayrides, cash bar (celebratory toast at 5pm)
6pm - 8pm	Music, dancing, Shaker Table "NH Gowers Dinner"
